**Record of service with
Board of Governors of the Federal Reserve System -**

April 1943	Associate Economist, Division of Research and Statistics
------------	---

Mr. Youngdahl was assigned to work under Mr. Bergelin in the Regional Research Section. This Section had the responsibility for the Division's regular work in connection with the compilation and analysis of various department store data, the research and statistical work of the Federal Reserve Banks and the approval for release of the monthly reviews prepared by the Federal Reserve Banks and for the special work of the Division in connection with the Regional Research program inaugurated in 1942. The Section also acted in a liaison capacity for the Federal Reserve Banks in dealing with the various departments of the Federal Government.

May 17, 1944	Economist
--------------	-----------

Mr. Youngdahl's title was changed to Economist and he continued to work in the Regional Research Section.

At the beginning of the year 1946, Mr. Youngdahl began to assist in the work of the Banking Consumer and Credit Section and was transferred to that Section in June, 1946.

In 1947, Mr. Youngdahl was given one of the principal economist's assignments in the Banking Consumer and Credit Section.

October 20, 1948 Chief of the Banking Section
Mr. Youngdahl was appointed Chief of the Banking Section which
position he now holds.

Following is Mr. Youngdahl's salary record since his appointment to the Board of Governors of the Federal Reserve System:

*Increases to conform with 1945, 1946, and 1948 Pay Acts.
