

June 14, 1948.

Dear Spike:

I hope you are planning to return to Washington to attend the Board meeting on Friday, June 25. No doubt you have received a notice from the Secretary's office covering some of the matters to come up at that time.

In my opinion there are several matters of greatest importance --

- 1 - Question of New York Officers' salaries.
- 2 - Responsibility of the Board to maintain a quorum in Washington at all times.
- 3 - Procedure to be followed to afford an absent member an opportunity to return to Washington, or to express his views before action is taken by the Board, on a matter in which he is interested.
- 4 - Procedure to be followed whenever important changes are contemplated in the Board's senior staff.

I hope you are having a pleasant trip.

With kind regards.

Sincerely,

Mr. R. M. Evans,
