Mr. Marriner Eccles
Board of Governors
Federal Reserve Bank
Washington, D. C.

Dear Marriner:

A few days ago I received a wire from your Board advising me of my appointment to Class C director of the Federal Reserve Bank, Salt Lake City Branch. I consulted George with reference to this and he recommended that I accept it.

I am sure that the contacts will be beneficial to myself and I hope that I can in return do just a bit of good.

I sensed that this appointment came out of recommendations made by yourself, and I wanted to let you know that I appreciate the confidence you have in me. I hope that as a result of your speaking in my behalf, that all the reports you receive will make you feel that you were justified.

Thanks again, and it has always been most pleasant to be a business associate and a friend to you and George.

Sincerely,

Frank M. Browning

Dear Frank:

I had the pleasure and privilege of recommending your name to the Federal Reserve Board for appointment to the Class C directorship of the Salt Lake City Branch of the Federal Reserve Bank of San Francisco. I also consulted with George about your appointment. I was glad to have the Board accept my recommendation and to have you accept the appointment when it was tendered to you by the Board. Having been acquainted with you a good many years, and knowing your ability and success, both in private business and public service, I feel sure you will add greatly to the strength of the Salt Lake City Federal Reserve Bank Board.

I expect to be in San Francisco on March 21 and 22 to attend the annual dinner and meeting of the officers and directors of the Federal Reserve Bank of San Francisco and its four branches. You will no doubt plan to attend that Conference and, if so, I will look forward to seeing you at that time.

With kindest regards,

Sincerely yours,

M. S. Eccles.
