

# FEDERAL RESERVE BANK OF CLEVELAND

OFFICE OF  
CHAIRMAN OF THE BOARD

June 20, 1941

Mr. Marriner S. Eccles, Chairman,  
Board of Governors of  
The Federal Reserve System,  
Washington, D. C.

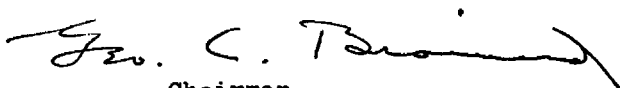

Dear Marriner:

Won't you please accept our thanks and appreciation for making the special trip to Cleveland in these busy times to visit us and talk to us yesterday? The members of our Board and those from our branches, and guests, greatly appreciate your sacrifice.

While I was glad to be of help in connection with your accommodations on the five o'clock plane to New York, I afterwards felt disappointed that you were not at dinner with us at the Union Club last evening. Practically all of our discussion, which was entirely informal, brought out many interesting points of view in connection with a number of phases of the problems brought out in your talk. I am sure it would have been extremely interesting to you, and we all would have profited from your further interpretations.

Again assuring you of our appreciation, and with best wishes, I am

Sincerely yours,

  
Chairman
