Note: The rules governing approvals of luncheon tickets of official guests of the Board in its private dining rooms do not require a Member of the Board to place the name of his guest on the ticket. Therefore, in tabulating the above data, only those tickets containing sufficient descriptive information to identify the guest as a director or officer of a Federal Reserve Bank have been excluded. All other guests, including guests of members of the Board's senior staff, the luncheon tickets for whom were approved by a Member of the Board, have been included.
