

BOARD OF GOVERNORS  
OF THE  
FEDERAL RESERVE SYSTEM

# Office Correspondence

Date November 26, 1947

To Chairman Eccles and Governor Szymczak

Subject: Meeting of the Staff Group

From Mr. Knapp

on Foreign Interests

If you have no objection, we are proposing to hold a meeting of the Staff Group on Foreign Interests in Washington next week (see agenda attached). I believe that all of the subjects listed are matters of special System interest and that coordination of the work here and in the New York Bank on these matters is necessary and desirable. With respect to item 3, I hope that Dr. Williams will be able to attend the meeting and to give us his views on this somewhat controversial question.
