Mr. Philip Murray, President,  
Congress of Industrial Organizations,  
Washington, D. C.

Dear Mr. Murray:

I am enclosing a graphic presentation of various facts and figures that we discussed at luncheon the other day when you were good enough to join me and talk over this so-called inflation potential. It occurred to me that you might be interested in having this rather graphic presentation of these same facts -- I think the charts are especially effective -- for such use as you might have for it.

I shall look forward to seeing you soon again. I greatly enjoyed and profited by talking with you the other day.

With kind personal regards,

Sincerely yours,

M. S. Eccles,  
Chairman.

Enclosure
