CHAIRMAN'S OFFICE

June 19, 1947.

Dear Senator Tobey:

I was very sorry indeed to learn of Mrs. Tobey's illness which called you away from your duties here. I wanted to send you a word of sympathy and to say at the same time how much I miss you.

Your constructive approach to the various problems which I have brought to you on behalf of the Federal Reserve System is more appreciated than I can possibly tell you. There has never been a time in my experience in Washington when the leadership of your Committee has been as satisfactory and helpful from the standpoint of the System. As for myself, your unfailing courtesy and desire to do what is best in the public interest have made my task far more congenial than ever before.

I earnestly hope that Mrs. Tobey will regain her health and that you will soon return.

Sincerely yours,

The Honorable Charles W. Tobey
