Honorable Blair Moody,
United States Senate,
Washington, D. C.

Dear Blair:

May I join your host of friends in congratulating you on your appointment to the Senate. Your selection is especially gratifying to me because I have known you for a good many years as one of that too small but, to my mind, enlightened group who have much in common, particularly with regard to economic problems and how best to preserve the democratic capitalistic system. You set it forth in simple and understandable terms in your book.

I am sure you will make a real contribution and that the people of Michigan will have enough appreciation of your record to see that you are kept in the Senate.

With every good wish,

Sincerely yours,

M. S. Eccles.
