Thanks!

Every one who
thinks knows easy money,
government spending, give away
& cheap interest are the chief
causes for inflation except the
administration or do they?

Thanks again for asserting your
self. Very best regards

Mr. Andrew Kerber,
Milton, Indiana.

Dear Mr. Kerber:

It was very thoughtful of you to take time to write me on February 15.

I always appreciate having the reactions of others, whether of approval or criticism, to my public utterances. I am glad to know that I have your support and encouragement.

In case you may be interested in reading it I am enclosing herewith a copy of the statement which I made before the Joint Committee on the Economic Report in its hearings on the President's Economic Program.

Sincerely yours,

M. S. Eccles.
