Dear Marriner:

Thank you for your letter of January 30th enclosing the text of your statement to the Joint Committee on the Economic Report.

You are to be congratulated on gaining your point in the long drawn out controversy with Secretary Snyder and the Treasury.

Perhaps you have copies of the enclosed clippings. I would like very much to get an autographed copy, if possible, of your book when it is published, and I would want to pay for the book. Also if it is being done, I would appreciate being placed on your mailing list to receive future copies of any of your speeches or articles which may be in printed form. My address will be % Federal Savings and Loan Insurance Corporation, 101 Indiana Ave., N. W. Washington 25, D. C., as I expect to return to Washington early in April.

Best Wishes,

Sincerely yours,

E. E. Byer

Dear Ed:

Your letter of March 21 was received at my office while I was in the West. I just returned to Washington the end of last week. I appreciate your writing me about my part in the controversy between the Treasury and the Federal Reserve Board, and I am glad you feel we gained our point.

I want to thank you for being so thoughtful in sending the clippings from the Chicago newspapers covering my recent speech before the Executives' Club of Chicago. While I talked extemporaneously, the Club made a transcript of my address and I am enclosing a copy of it in case you are interested in reading more of the text than was reported.

I am not sure when my book will be released, but I will be glad to add your name to the list I expect to make up for autographed copies. I will have it sent to the Washington address you give in your letter. I appreciate your interest in it.

With best regards,

Sincerely yours,

M. S. Eccles.
