Mr. Chester T. Crowell,  
2510 Que Street, Northwest,  
Washington, D. C.

Dear Mr. Crowell:

In accordance with your telephone call this morning, I am enclosing a copy of a letter which Mr. Eccles sent to Senator Robinson a year ago with reference to the Frazier-Lemke Bill. While this letter has not been made public so far as I know, there is no reason why its contents should not be used.

Sincerely yours,

Elliott Thurston,  
Special Assistant  
to the Chairman.
