Dear Abe:

This is a somewhat belated but no less sincere note to express the appreciation of all of the Board, including myself, for the able assistance you provided during the hearings and on the Senate floor in connection with the passage by the Senate of the bill on gold reserve requirements.

Your own interest and thorough grasp of the matter were particularly helpful in bringing about passage of the measure in an entirely satisfactory form.

With kindest personal regards,

Sincerely yours,

The Honorable Abe Murdock,
United States Senate,
Washington 25, D. C.
