THE BELGRAVIA  
CHESTNUT & 18TH STS.  
PHILADELPHIA

10/2/44

My dear Mr Eccles:—  
I was so glad to see the  
stand you have taken in  
regard to ceilings for farm  
prices and wages. A price  
bill without control of  
those would be a farce—  
Mr Baruch and you seem  
to be the only sensible  
people on the subject.

Very truly

W. F. Alsim

We want the Country saved  
from inflation and not so much  
coddling of the labor leaders.
