Dear Chet:

This is to thank you for your note of January 18 sending me a copy of the graphic pamphlet on the story of wartime rationing.

As you know, I have been most enthusiastic about your techniques of dealing with these complex and difficult questions and this pamphlet, like other material you and your staff have compiled, strikes me as a most effective way to acquaint the public with what the program is and why.

With best regards,

Sincerely yours,

Honorable Chester Bowles,
Administrator,
Office of Price Administration,
