Federal Reserve Board  
Washington, D.C.

Gentlemen:

I have had occasion to consult various articles and speeches by the Chairman of the Federal Reserve Board at the library of the New York Federal Reserve Bank, also the mimeographed record of Mr. Eccles' testimony before the House Committee in Banking and Currency, hearing February 25th, 1946.

If available in printed or mimeographed form, may I request for copy of this testimony in connection with classes at the above High School, as well as copy of Mr. Eccles' speech printed in the December 1944 issue of the Federal Reserve Bulletin?

Thanking you,

Respectfully,

ADL/AD
