Attention: Helen J. Graves,
Reference Assistant.

Gentlemen:

With reference to your request of May 27, Chairman Eccles had no prepared statement on the financing of the public debt. This subject was brought up in the questioning which followed his statement on the British loan before the House Banking and Currency Committee.

Your request for a copy of the special report to Congress has been referred to the publications section and a copy will be sent to you when it is available.

Sincerely yours,

Elliott Thurston,
Assistant to the Chairman.
