Attention: Library.

Gentlemen:

This is to acknowledge your request of June 13 for the report made by Chairman Eccles with regard to the Reconstruction Finance Corporation and other Federal credit agencies.

The Chairman did not present a written statement to the House Banking and Currency Committee on this subject. His comments were elicited by questions of the members of the Committee and I do not have a copy of the transcript available. Possibly you might be able to obtain it by writing directly to the Committee.

Very truly yours,

Elliott Thurston,  
Assistant to the Chairman.
