Dear Mr. Eccles,

Hearing about your stand before Congress today, makes me want to tell you that I am one of many who are made happier to know that you are "in there fighting!" I must give you deep satisfaction to know you are living your highest!

My daughter Mitten and I had a wonderful trip around South America - not a bump or an hour that I cannot relive relive with pleasure. Someday I want to tell you about it!

I am planning to spend more time in Denver, although I shall always keep my apartment in N.Y. These mountains get under my skin. Oh what air! If you come my way, please let me know.

Ever sincerely yours

Dear Mrs. Howell:

It was very kind and thoughtful of you to write as you did about my recent appearance before the Senate Banking & Currency Committee. It is always gratifying to receive encouraging words from those who approve of my efforts to be helpful to our country.

I am sure you and your daughter must have enjoyed very much your trip to South America, especially since there were no unpleasant experiences to mar it. No doubt it will be the forerunner of future pleasure trips for you both.

With kind regards,

Sincerely yours,

Mrs. Charlotte B. Howell,
