Mrs. Nancy Lyon,
10 East Eager Street,
Baltimore 2, Maryland.

Dear Mrs. Lyon:

As I agreed to do, I am enclosing a copy of the statement I made before the Banking and Currency Committee of the House of Representatives on August 3 entitled "Means of Combating Inflation".

I enjoyed the short visit we had on the plane during my recent flight to North Carolina. I hope you had a pleasant visit with your family.

With kind regards.

Sincerely yours,

M. S. Eccles.
