Mr. Mariner S. Eccles
Chairman of the Board of Governors
Federal Reserve System
Washington, D. C.

Dear Mr. Eccles:

According to press reports it is our impression that you will be appearing before one or more congressional committees during the next few days or weeks in connection with the President's anti-inflation program. As you can well understand, we have a very real interest in keeping abreast of your view point as expressed before these committees.

I wonder if you would be good enough to arrange to have forwarded to me copies of any statements prepared for release. I would greatly appreciate your cooperation in this matter.

Very truly yours,

Roy L. Reiersen
Assistant Vice President
