Dear Mr. Cochrane:

Only by accident did I come across  
your report of November 25, 1947 to the Joint  
Committee in the Economic Report. Excellent this!  
I am just an ordinary - even ignorant  
person but that statement of yours taught  
me a great deal.

I should like very much to have  
a copy.

Yours Truly,

George F. Delaplane

A copy of the Board's statement has been mailed to  
you.

Sincerely yours,

Elliott Thurston,
