Dear Sir:

In compiling a digest of expressions of opinion concerning the control of inflation, I would like to get copies of certain of your speeches particularly where you have dwelt on the necessity and desirability of continuing the pegs on the various issues of United States Government bonds.

I would like particularly to have this data include a copy of your recent speech made at Des Moines, Iowa and anything else which is pertinent and available.

Any attention you may be able to give the foregoing request will be genuinely appreciated.

Very truly yours,

RMW-LR
