Dear Marriner:

Just thought you might be interested in
 seeing how you look in Spanish headline.

Best regards to both you and Larry and am
 sorry I missed the golf game at Burning Tree
 while in Washington last September.

Yours,

Dear Ed:

It was very thoughtful of you to write me on November 23, enclosing the copy of the clipping from the EL MUNDO newspaper relative to my testimony before the Subcommittee on Monetary, Credit and Fiscal Policies of the Joint Committee on the Economic Report. It will make an interesting item to include in my clipping records, and I greatly appreciate your sending it on to me.

I must say, however, that I was especially happy to hear from you, and I can assure you that Larry and I were just as disappointed as you were in not being able to join us in the golf game at the Burning Tree Club last December. I hope the next time you are in Washington we will have better luck.

With kindest personal regards,

Sincerely,

Mr. Ed. Bowland,
