NORMAN M. HULINGS
TRUST OFFICER

December 2, 1949

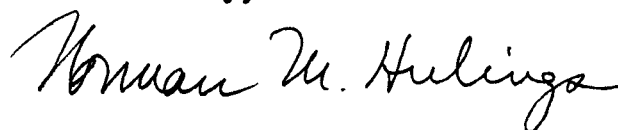

Mr. Marriner S. Eccles,
Member of the Board of Governors
Federal Reserve System
Washington, D. C.

Dear Mr. Eccles:

The December 5 issue of Time magazine has quoted you in its business and finance section, and I was particularly interested in the quotation as it gave me some source material for a panel discussion in which I will take part early in December.

The purpose of this letter is to ask if there is available a complete report of your appearance before the congressional sub-committee, and if so I would appreciate having it.

Yours truly,

Mr. Norman M. Hulings,
Trust Officer,
The First National Bank and
Trust Company,
Tulsa, Oklahoma.

Dear Mr. Hulings:

I am sorry that I have not been able to reply more promptly to your letter of December 2 because it came in the midst of the arrangements for the funeral of my very dear friend and associate, Governor Clayton, a member of this Board, whom you may have met.

As yet, the transcript of the testimony taken by the Douglas subcommittee has not been printed but I can send you at this time a copy of the statement which I introduced at the beginning of my testimony and a copy of the letter which I wrote subsequently to Senator Douglas on certain very important questions which arose during the course of the hearings.

I trust that this material will be sufficient for your purposes.

Very sincerely yours,

M. S. Eccles.
