Dear Sir:

Please advise details of your proposed
"price system" for control of inflation
which, from what I've heard so far, makes
sense to me.

I would like to use such material for my
column entitled "The American Way" appear-
ing monthly in my local American Legion
Post publication reaching 250 members.

Cordially,

H. Charles Sieck, Chairman
Americanism Committee
Legion Post #271

February 2, 1951.

Mr. H. Charles Sieck, Chairman,
Americanism Committee,
Legion Post #271,
Los Angeles, California.

Dear Mr. Sieck:

In accordance with the request in your letter of January 29, I am enclosing herewith a copy of my statement of January 25 before the Joint Committee on the Economic Report in its hearings on the President's Economic Program. It was very thoughtful of you to write me about my testimony.

I always appreciate having the reactions of others, whether of approval or criticism, to my public utterances. I am glad to know that you think the suggestions I made in my statement before the Committee makes sense.

Sincerely yours,

M. S. Eccles.
