Dear Sir:

I used to think you  
were financially "NUTS" -

I must admit that  
what you say now makes  
sense. Keep the good work  
up.

Mr. Clifton N. Bradley,

Dear Mr. Bradley:

It was very thoughtful of you to take time to write me about my testimony on January 25, before the Joint Committee on the Economic Report in its hearings on the President's Economic Program.

I always appreciate having the reactions of others, whether of approval or criticism, to my public utterances. I am glad to know that you approve of the suggestions I made in my statement before the Committee, as reported in the newspapers. Thinking you may be interested in reading the entire text of my statement, I am enclosing a copy of it herewith.

Sincerely yours,

M. S. Eccles.
