Dear Marriner:

I received your letter, together with statement on "Preparedness Against Both War and Inflation", upon my return from a trip to Honolulu. Thanks very much for remembering me. I expect to read your report in the next day or so, after I dig out from under some of the correspondence I found on my desk after being away five weeks.

Am planning on a trip to Washington about the 4th or 5th of May and inasmuch as I will be staying at the Shoreham will make it a point to pay my respects some time while I am there.

Sincerely yours,

C. W. Gamble
