Mr. Marriner S. Eccles
Governor, Federal Reserve System
Washington, D. C.

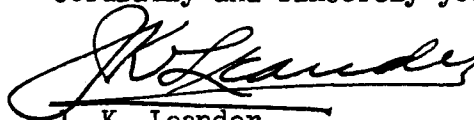

My dear Marriner:

Certainly enjoyed your talk "Inflation - Public Enemy No. 1." I have always been interested in the past on your attitude towards our economy, and your conservative policy against inflation.

Years ago, I had the pleasure of meeting you several times when I lived in Portland. I knew Dave Eccles and his family very well. In fact, his son Julian just a couple of weeks ago came through Chicago and was our guest for the weekend. I knew Julian when he was a young lad of 8 or 10 years.

I wish you would convert a great many to your line of reasoning. With very good wishes for your continued good health.

Cordially and sincerely yours,

J. K. Leander,
Vice-President

Dear Mr. Leander:

It was thoughtful of you to write me on February 23. It is very encouraging to me to know that you approve of what I have to say on the subject of inflation.

In case you are interested I am enclosing a copy of a press release I gave out prior to an address I gave on March 2 before the Executives' Club of Chicago.

Sincerely yours,

M. S. Eccles.
