CONSULTATION BY APPOINTMENT

Mr. Marriner S. Eccles, Member
Board of Governors

Washington, D. C.

Dear Mr. Eccles:

I would greatly appreciate your sending me several reprints of your excellent article entitled "Preparedness Against Both War and Inflation" if you can spare them. I would like to have one for myself and several for distribution to some of my friends.

The article I refer to was your statement before the Joint Committee on the Economic Report made 25 January 1951. It is too bad that every citizen of our country who is intelligent enough cannot read this thoughtful statement.

Sincerely,
