Mr. Marriner S. Eccles  
Member, Board of Governors  
Federal Reserve Board  
Washington, D. C.

Dear Mr. Eccles:

I am very grateful for your letter of May 28 and copies of your addresses, "The Defense of the Dollar" and "Preparedness Against Both War and Inflation."

It is unfortunate that all Federal and State officials do not have your ability and foresight. We certainly need more men in public office who think clearly and are willing to speak their convictions.

Sincerely yours,

GODFREY SMITH
