Dear Sir:

I wish to thank you for your letter of March 11 acknowledging mine of February 28 on the matter of your address before the Harvard Business School Club. I appreciate your wishes in the matter of not circulating copies of my version of your address and assure you that your wishes in this matter will be respected.

I should indeed be pleased to receive three or four copies of your complete address when and if made available.

Very truly yours,

Edward Ingalls
