

CHICAGO, ILLINOIS

Mr. Marriner Eccles, Chairman,
Federal Reserve Board,
Washington, D.C.

NOVEMBER
19th,
1935.

Dear Marriner:

Will you please send me a copy of the address you delivered at New Orleans. I have a copy furnished by the American Bankers Association; but I want to check and see if yours is the same.

Also I want a new photograph. The one we have now is out of date. I have seen a much better one somewhere, but I do not know just where.

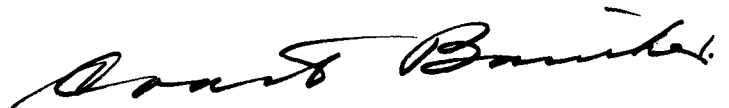

By the way, what is going to be done about the Governorship of the San Francisco Federal Reserve Bank? When it comes to the selection of members of the Board of the San Francisco Federal Reserve Bank, I think I mentioned to you once before, but I will repeat, that I can recommend very highly for a member of that Board, your humble servant. I think that should he get the appointment, he could work very intelligently with you.

This publishing a bank journal that will suit both branch bankers and united bankers is some difficult job; but I think so far we have steered the proper course very successfully. I am really serious about this.

As soon as a decision is made as to any changes in the plans of operation of the Eccles Chain, will you please advise me.

Sincerely yours,

G. Edwards

Mr. George Edwards, Publisher,
West Coast Banker,
San Francisco, California.

Dear George:

In accordance with your request of November 19th, I am enclosing a stenographic report of the address which I made last week before the American Bankers Association at New Orleans. I did not prepare a written speech, but spoke from some notes which I wrote after I got to New Orleans.

I am also enclosing a photograph which was taken at the time I came to Washington. After it has served your purpose, I will appreciate your returning it to me.

Regarding the other matters mentioned in your letter, I do not have any information concerning them.

Sincerely yours,

M. S. Eccles,
Chairman.
