Mr. Marriner S. Eccles
Washington, D.C.

Dear Mr. Eccles:

I should appreciate it very much if you would forward me a dozen or so copies of your address before the American Bankers' Association Convention in New Orleans, November 14, 1935, if they are available. I am teaching a course in Banking, and find that this material would be very helpful to the students in that class.

May I suggest that I wrote the American Bankers' Association concerning the same, and they have referred me to you.

Thanking you in the matter,

Sincerely,

C.S. Boyle
