Gov. Marriner S. Eccles,
Federal Reserve Board,
Washington, D. C.

Dear Gov. Eccles:

I was very much gratified to receive a copy of your splendid address delivered before the Bankers Convention in New Orleans. I have read this with considerable interest and agree with you in the position you have taken.

I am convinced after a number of years of experience, that it is a splendid thing for the officers of the Federal Reserve System to make addresses of this kind, and to inform the public as to the condition of the Government finance, and especially of the attitude of the Federal Reserve System on public matters.

I hope that I may have the pleasure of discussing this with you at some future date, and in the meantime, please be assured of my interest and willingness to cooperate with you in every particular.

Yours very sincerely,

JBD:NWT
