Dear Sir:-

I am advised there was published yesterday your complete speech made on November 13, 1936 at Boston dealing with the subject of financial controls, of credit, booms etc.

Would you be kind enough to send to me at the address below indicated a complete copy of that speech, for which I thank you in advance; or should you be unable to furnish this, kindly advise me where I can procure same, as I would like to read it and have it in my files.

Should there be any charge for this, please advise me and I will be glad to remit in any usual amount.

Very truly yours,

Robert A. Steps
