Mr. Marriner Eccles, Chairman  
Federal Reserve Board  
Washington, D. C.

Dear Mr. Eccles:

We are extremely pleased by your acceptance of our invitation to be our guest and one of the speakers at the Banquet Session of our June Meeting which will be held on Friday, June 16th.

We realize the strain you are subjected to by your heavy schedule at the time of our June Meeting and to relieve you of any extra effort, we do want you to know that the subject of your talk and its length is for you to decide. You may be sure that whatever you choose to say will meet with our enthusiastic approval, and I will write to you to cover necessary details before May 15th.

It gives us all a sense of deep satisfaction to know that we shall have the privilege of meeting with you next June and we thoroughly appreciate your willingness to add this additional item to an already overburdened schedule.

Sincerely yours,

*Theodore F. Drury*  
Chairman,  
Program Committee
