*"The information of the people at large can alone make them the safe, as they are the sole, depository of our religious and political freedom."—THOMAS JEFFERSON.*

Topeka, Kansas,

Mr. Marriner S. Eccles

Chairman of the Board of Governors

Federal Reserve System

Washington, D.C.

Dear Mr. Eccles:

I want to thank you for the copy of your recent address delivered in St. Louis, forwarded to me by your secretary. It is indeed refreshing to have this point of view held and expressed by one in your position of responsibility.

Please keep me on your mailing list and if you are out in this part of the country again and would like an opportunity for an address in Topeka we would be only too happy to consummate such arrangements.

Sincerely yours,

Justin W. Hillyer
