Dear Marriner:

Your Secretary mailed to me under date of the 10th, a copy of the address you gave before the Bankers of the 8th Federal District.

I greatly appreciate your thoughtfulness in having this sent to me. It is very interesting and instructive. I will appreciate it if you will instruct your Secretary to send me any of the future address that you make and that you can conveniently send to me.

I was in Ogden on the 13th for one day only and endeavored to contact you but was unable to do so. I would have enjoyed, very much, a talk with you on general business conditions. I know that you are very busy, but if you have any information on general business conditions that you could confidentially give me, I will greatly appreciate it and assure you that any information you do give me will be regarded as strictly confidential.

With kind personal regards and best wishes, I am

Yours very truly,

W. C. Geddes  
President
