Mr. Marriner S. Eccles  
Chairman of the Board of Governors  
Federal Reserve System  
Washington, D. C.

My dear Governor:

I have just read your Chicago speech to the  
Investment Bankers Association.

You did a perfectly splendid job, and I want  
to offer congratulations. How desirable it would be  
if you could make the same speech in every city, town,  
and hamlet throughout the entire country!

Very truly yours,
