Mr. Marriner Eccles, Chairman
Board of Governors
Federal Reserve System
Washington, D. C.

Dear Mr. Chairman:

Once again I am on a begging expedition. This time for as many copies as you could spare of your speech on "Economic Conditions and Public Policy" at the New England Bank Management Conference.

I want to use the speech as text material in our course in Money and Banking here. We have 60 students in it. I realize that asking for 60 copies would be unreasonable, but if we could have a dozen to fifteen, we could put them on reserve in the Library and that would serve our purpose.

Thanking you in advance for whatever you can do in this connection for us, and sending all good wishes for the holiday season, I am

Sincerely yours,
