Dear Marriner:

I thank you kindly for sending me the copy of your last speech which you made on economic stabilization. I think that you have covered the subject in very good shape. I hope you will continue to send these addresses to me.

About a week or ten days ago I had a nice visit with your brother George and also with Marriner Browning at Lewiston. They stopped as they went through here and visited the plant and mill but I happened to be away. However, they were well taken care of.

With kind personal regards, I am

Yours very truly,
