Dear Mr. Eccles:

Your many friends on this campus are delighted to learn that you are to deliver the Commencement address.

At this time you may be in need of the following information:

Commencement Day: June 4th.

Academic procession: To begin promptly at 9:30 A.M. in Old Main.

Commencement Exercises: To begin promptly at 10 A.M. in the Field House.

The matter of academic attire is left optional with the speaker. All others will come in caps and gowns. If you desire to address the graduates in academic attire, will you please let me know your hat size and the size suit which you wear.

This year over 1,000 degrees will be conferred at Commencement. This will take considerable time. As you know, many traditional time-consuming matters also have to be taken care of at Commencement. In brief, I am leading up to the embarrassing question: Can you do justice to your message within a period of twenty-five minutes? However, if your subject cannot be adequately presented in such a short period, do not hesitate to use all the time you need.

Our publicity department would appreciate a copy of your address to be released on Commencement Day if you can find the time to send an advance copy.

Faculty members and students remember with satisfaction your last visit to the campus and look forward to hearing you again on June 4.

Yours sincerely,

Daryl Chase
Chairman of Commencement

May 22, 1951

Dear Mr. Chase:

I acknowledge receipt of your letter of May 12, giving me the details in connection with the Commencement Address I have agreed to give on June 4.

I have a cap and gown which I got in 1943 at the time the University of Utah gave me an Honorary LL.D. It is stored somewhere in Ogden, and if I decide to wear a cap and gown I will wear it if I can locate it. Therefore, you need not bother about academic attire for me.

I note what you say about the time available for my address. I will try to confine it to 25 minutes, but in no case will I go beyond 35 minutes.

With reference to sending you a copy of my address to be released on Commencement Day, I doubt that I will be able to send an advanced copy as I do not believe I will have an opportunity to finish writing my address in time to send it to you before I leave Washington on June 3rd. I will have some extra copies which I will give your publicity department on Commencement Day if that will be of any assistance to them.

I assure you of my appreciation for the opportunity to address the graduating class of your school, and I will look forward to being with you at the Exercises in Logan on June 4th.

Sincerely yours,

M. S. Eccles.

Dear Mr. Eccles:

We are delighted that you will speak at the
Commencement exercises on June 4.

The newspapers are asking already for an
advance copy of your address. I am reluctant to
make this request, but I may point out that it
is one way for the papers to write a more accurate
version of the news story based upon it. When
they do not have an advance copy, they sometimes
produce rather garbled accounts.

If you would be so kind as to send me a copy
we will reproduce it and get it to the papers.

We look forward eagerly to your coming.

Sincerely yours,

Carlton Culmsee, Dean

Dear Dean Culmsee:

I am glad to note from your letter of May 23d that you are delighted that I am to speak at the Commencement Exercises of the Utah State Agricultural College on June 4.

Relative to your request for an advanced copy of my address, as I explained to Mr. Daryl Chase in my letter of May 22d, I doubt that I will be able to send an advanced copy as I do not believe I will have an opportunity to finish writing my address in time to send it before I leave Washington on June 3d. As I also advised Mr. Chase I will have some extra copies with me which I will be glad to give to your publicity department on Commencement Day if that will be of any assistance.

Sincerely yours,

M. S. Eccles.

Note: the check returned was numbered 239509, dated 6/11/51

Dear Dr. Madsen:

I just received your letter of June 13, enclosing a check for \$300 as an honorarium for my commencement address. I have endorsed the check and am returning it to you herewith.

I advised Mr. Chase that I had never accepted compensation for any address, that I feel it inappropriate for people in public service to do so. I suggested to him that the money might be used as a scholarship for some appropriate and worthy purpose in the field of political science. Whatever plan you work out with Mr. Chase for the use of the money will be entirely agreeable to me.

I felt honored to have the opportunity to make the commencement address to the graduates of the College and I am pleased to know that what I had to say met with approval.

Sincerely yours,

M. S. Eccles.

Dear Mr. Chase:

In accordance with the conversation we had after the Commencement exercises on June 4, I am having forwarded to you under separate cover 300 copies of my address -- it was my understanding that you wished to have these copies for distribution to the students.

I wish to thank you for giving me the opportunity to address the graduates. I felt it a great privilege and enjoyed being with you all!

Sincerely yours,

M. S. Eccles.

Dear Mr. Chase:

It was indeed a pleasure to receive the five printed copies of my address at the Commencement exercises of the U.S.A.C., and to learn that copies had been sent to the Alumni and others. I considered it a privilege to talk at the exercises, and feel you have been very kind to me in making such a wide distribution of my remarks.

As you can well imagine, it is a great satisfaction to know that my friends here at home approve of my public service. I am grateful for these expressions; they add to the richness of my experiences in Washington during these many years.

May you continue to have success and happiness in your important work.

Sincerely yours,

Marriner S. Eccles
