U. S. A. C.

Dear Mr. Carter:

Your letter of June 6, addressed to me at Ogden, was not forwarded to Washington, and I have just received it upon coming back to Utah.

I greatly appreciate your thoughtfulness in writing me. I am glad to know you feel my Commencement Address was an important and vital message. It is very gratifying to receive such expressions and learn that people approve of my work and activities.

I do not have a copy of the address which I could send you at this time, but I understand Mr. Daryl Chase at the college has had several thousand copies printed and one should be available from him. If not, I will arrange to have a copy sent to you.

Sincerely,

Marriner S. Eccles
