Dear Marriner:

I have just finished your Commencement address at Logan. You did a great job in it it expresses what many of us feel, but have not been able to spell out as completely. I wish every editor in the country could have a copy of it. If you have a supply of copies, I wish you would send them to me. I'd like to send them to some of my friends, such as Barry Bingham, Dave Sterns, Jim Warburg, Nelson Poynter, etc.

It's a needed statement and should be given wider use than I suspect it got.

Sincerely yours,

Aubrey Williams

Dear Aubrey:

Your letter of August 13, which arrived while I was on vacation, was most heartening.

I am naturally very pleased to know that ~~you feel my~~ Commencement Address at Logan was sufficiently meritorious for you to desire extra copies to send to some of your friends. I have some mimeographed copies and am therefore sending you them under separate cover.

With kind personal regards,

Sincerely,

Marriner S. Eccles
