Honorable Marriner S. Eccles,  
Chairman, FEDERAL RESERVE BOARD,  
Pennsylvania Avenue & Fifteenth St., N.W.,

Dear Mr. Eccles:

The members of the Commonwealth Club, before  
whom you spoke some month or six weeks ago, are still speak-  
ing of your talk.

As we are gathering as much data as possible  
regarding the Administration, and I, as Director for Northern  
California for THE NATIONAL EMERGENCY COUNCIL, am personally  
interested in your talk, would you kindly mail us a copy of  
it, for which we will be most grateful.

Thanking you in advance for your good graces  
in our behalf, and assuring you of our appreciation for the  
favor, with best wishes, I am,

Most sincerely and cordially yours,

  
JOSEPH J. ROSBOROUGH, District Director,

October 21, 1935.

Mr. Joseph J. Rosborough,  
District Director,  
The National Emergency Council  
for Northern California,  
Sharon Building,  
San Francisco, California.

My dear Mr. Rosborough:

I have your letter of October 15th requesting  
a copy of the address which I gave before the Commonwealth  
Club of San Francisco on September 25th.

Because of the fact that I accepted the invita-  
tion to address the Club less than two days before it met,  
I did not have time to put my address in written form for  
public release. Some of it I gave from a memorandum and  
some of it extemporaneously. I regret, therefore, that I  
cannot furnish you with a copy of the talk.

Sincerely yours,

M. S. Eccles,  
Chairman.
