Honorable Marriner S. Eccles
Chairman

Washington, D. C.

My dear Mr. Eccles:

I have returned from a vacation following the Robert Morris Associates Annual Conference at French Lick Springs and feel I would be lacking in appreciation if I did not write and let you know how much I personally and the entire membership in attendance enjoyed your address.

We readily realized how tremendously sincere you were in your subject, and I know the Associates received real benefit and much enlightenment from your remarks. Furthermore, I know your frank statements and sound logic made a strong impression upon all.

Again thanking you, and with kindest personal regards, I remain

Cordially yours,

President
