FEDERAL HOME LOAN BANK BOARD
WASHINGTON

OFFICE OF THE GOVERNOR
FEDERAL HOME LOAN BANK SYSTEM

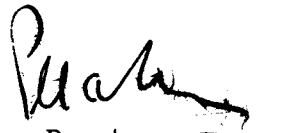

March 13, 1936

My dear Marriner:

We are all tremendously obliged to you for dropping more important things to come over here to talk to us last night. It goes without saying that all who were present were most grateful to you, particularly myself. I feel it was a very courteous and friendly thing to do.

Thanking you again, I am

As ever,

Preston
