

UNIVERSITY OF CINCINNATI  
COLLEGE OF ENGINEERING AND COMMERCE

EVENING SCHOOL

September 13, 1937

The Honorable Marriner S. Eccles  
Chairman of the Federal Reserve Board  
Washington, D. C.

Dear Sir:

As you will remember, you donated your honorarium of \$300.00 as a speaker for our Business and Professional Men's Group to the University to be used for scholarship purposes in the Evening School.

For a long time we have wanted to encourage able and worthy students in the night high schools to continue their education at night. There are three night high schools in Cincinnati so we divided the money into three annual awards of \$35.00 each, to run for three years. The high school principals were asked to select three outstanding students who would not be able to continue with their studies without this help.

We thought you would be interested in the enclosed clipping from this morning's Enquirer, since it has a picture of two of the boys selected this past year.

May we thank you again for donating this money? As you can see, it has possibilities of doing a great amount of good.

Sincerely yours,

V. H. Drufner,  
Director of Evening and  
Extension Courses

VHD: DAL  
enc.

September 27, 1937.

Mr. V. H. Drufner,  
Director of Evening and Extension Courses,  
University of Cincinnati,  
College of Engineering and Commerce,  
Cincinnati, Ohio.

My dear Mr. Drufner:

This will acknowledge your letter of  
September 13th enclosing a clipping from the  
Enquirer regarding the disposition of the \$300  
honorarium which Mr. Eccles donated to the  
University.

Mr. Eccles is in the west at the  
present time, but upon his return your letter  
will be called to his attention.

Very truly yours,

Secretary to Mr. M. S. Eccles.
