Hon. M. S. Eccles, Chairman,  
Board of Governors of  
Federal Reserve System,  
c/o Eccles Investment Co.  
Ogden, Utah,

Dear Mr. Eccles:

As suggested by you in yours of August 6th, I am now writing you at the above address in reference to the time at which you believe you can speak to the University Club of Des Moines.

I am planning to leave Des Moines the night of the 15th on a special train to attend the San Francisco Convention, and to return here the 16th -- hence I would appreciate a wire from you prior to the 15th.

Inasmuch as many of the important bankers whom I want present at the meeting will also be in San Francisco, I am in hopes that the date that you set will be any time after the 27th of September. So far as my own personal plans are concerned they can be very readily changed to suit your convenience, as it is not at all necessary that I attend the convention.

Looking forward to the pleasure of seeing you in Des Moines, and hearing you again, I am, with best regards

Yours cordially,

LCF

Mr. E. F. Kauffman, President  
Bankers Trust Company  
Des Moines, Iowa

Dear Mr. Kauffman:

Replying to your letter of September 8th,  
my present plans are to leave for the east sometime  
after the 25th of this month.

I will try to plan on being in Des Moines  
about the 29th or 30th of the month. This will be  
after you and the other bankers return home from the  
San Francisco convention. It may not be possible  
for me to give you the exact date more than a few  
days in advance. Will that satisfactorily serve  
your purpose?

Sincerely yours,
